29 August 2013

The Association of Registered Fire Service Installation Contractors of Hong Kong Limited

FOUNDED 1974
INCORPORATED 1993

Objectives

Of THE ASSOCIATION

- ✧ To promote the interests of the fire services installation industry in Hong Kong and all such activities as are ancillary thereto by every proper and lawful means.
- ✧ In the best interests both of the fire services installation industry and the community as a whole to establish, maintain and improve close liaison and friendly cooperative relations with all governmental, semi-government, municipal, or other local or public authorities, manufacturers, suppliers or distributors of goods, materials and/or services associated with the fire protection industry.

- ✧ To encourage any technical or other form of education for the training and development of efficient employees in the fire services installation industry.
 - ✧ To recommend promulgate maintain and improve conditions of contract, forms of agreements, conditions of tendering and the like, and to enter into agreements or arrangements to these ends with registered building contractors associations, institutes of architects and engineers or other similar organizations, governmental, semi-governmental, municipal or other local or public authorities.
 - ✧ To discuss and consider matters affecting the fire services installation industry and its ancillaries and to collect, collate publish or cause to be published such information relating thereto as may be calculated to be of service to its members, and to promote the inter-change of ideas, methods, information etc. on fire service installation contracting in Hong Kong and other parts of the world.
 - ✧ To promote and encourage the acceptance of the Association throughout Hong Kong and to do all such other things as are incidental or conducive to the attainment of the objects and the exercise of the powers of the Association and in the furtherance of the interests of Hong Kong.

Dear Friends,

Thank you for your contributions and helps to the Association over past 40 years. Your efforts in the 10 domain areas including safety, liaison with authorities, legal & contract, technical & training, publication & recreation, membership & administration supports have made Hong Kong a safer place to live, to work in and to have fun.

Thanks again,

Peter Lam

On behalf of
