Technical Seminar on British Standard for Fire Performance Cable

Co-organizers: DUCAB-BICC & Polygon Cable Supplies Ltd

Date, Time and Venue

Date : 23 November 2016 (Wed)
Time : 14:15 registration, 14:30 to 17:00 hrs
Venue : Lecture Theatre 2, HKPC (1/F HKPC Building, 78 Tat Chee Road, Kowloon)

Key Topics :

- To present a seminar specifically for FSICA's members on the recent British Standard for Fire performance cable.
- Incorporating a guide to correct selection and installation of fire-performance power and control cable system for life-safety and fire-fighting applications.

Speaker : Guest speaker from DUCAB-BICC and LPCB

Jenny Morris
Certification Scheme Manager
BRE (Building Research Establishment)

Tom Roberts
Manager Fire Performance at DUCAB

Born Preston Lancashire England UK. After leaving school Tom served a 5 year M&E apprentice with a large electrical contractor in UK. Installing Mineral Insulated Cables MICC was a skill Tom learnt that would benefit him later in his career. The experience gained in the electrical industry led Tom during 1994 into International Export sales & marketing management travelling worldwide around 120 days a year. After 20 years living and working in Dubai and having tried retirement it was obvious Tom had more to give in his career. Ducab has ambitious plans to further develop the fire Performance Cables with Tom's Knowledge & experience in Fire Performance cables is proving invaluable in supporting, identifying and developing new and existing market opportunities.

Admission : Free of charge
Language : The Talk will be delivered in English
Certificate : CPD Certificate will be issued
