LPC SPRINKLER RULES WITH BSEN12845 AND TBs PDF

Dear Members,

As you may be aware, FSD has announced the use of 2015 version LPC Sprinkler Rule, starting from 1 Jan 2021.

Now FSICA is liaising with FPA for a bulk purchase of the 2015 edition LPC rules. FSICA pre-agreed price with FPA at budget of GBP 250 for the booklet including the related Technical Bulletins (estimate delivery cost for this item will be GBP20), which has a total **saving of 30%** rather than you order the Booklet directly from FPA or other associations.

FSICA would like to receive your feedback by **Express of Interest** for the bulk purchase for the edition of BSEN12845:2015.

Kindly fill up the enclosed **Express of Interest** form and return to our office on or before 6 Nov 2020 so that we can finalize our agreement with Fire Protection Association.
